INTERIM PLACEMENT

We provide support to the Director of Surgical Services and the OR by providing interim talent solutions for three crucial roles; Surgical Service Manager/Director, OR Educator, and SPD Manager. Experienced interim coverage in these roles ensures the department has strong leadership, maximizes profits, ensures safety, and provides time and resources for a permanent solution to be found.

TOP REASONS TO HIRE US

OUR RESEARCH

We look at references and past work history to determine the type of skills the candidate can offer the department.

OUR FOCUS

We identify what jobs our interims are best suited for based off their licenses, experience level and accomplishments.

OUR EFFICIENCY

We spare no time in getting professional coverage in these critical roles. From the time of placement, your candidate will be on track to start in 10 working days.
